

Dragon Robotics Team Requirements

- Application must include an essay detailing your experience with robotics and why you want to be on the team.
- Robotics is a yearlong program that has three parts: Pre-Season, Build Season and Competition Season. Team Members are expected to attend all meetings unless prior arrangements have been made with the program mentors.
- In order to travel with the Robotics Team, members must meet the work hour requirement and remain in good academic standing.
- In order to participate in after school meetings and events, members must remain in good academic standing (2.0).
- The Robotics Team Fee is \$250 dollars per academic year. All checks will be made out to the CHS STEM BOOSTER CLUB.
- Filling out this application does not guarantee a spot on the team. We have a limited number of team spots. Team assignments will be determined by the mentors.
